

# Almost ————— There

## Freshman

Wide dorm hallway  
City sirens  
Strangers smiling  
Fear missing out

## Sophomore

Felt less like a guest  
Living on my own  
Slowly finding peace  
Heartbreak in winter

## Junior

Internship interviews  
Second guessing myself  
Found my kind of people  
Learning to love again

## Senior

Offer letter on my screen  
Counting credits left to go  
Almost done but not quite there  
Did I do enough these years?
